The Honorable Alejandro Mayorkas
Secretary
Department of Homeland Security
300 7th St. S.W
Washington, D.C. 20024

The Honorable Christopher A. Wray
Director
Federal Bureau of Investigation
935 Pennsylvania, N.W.
Washington, D.C. 20530

Dear Secretary Mayorkas and Director Wray,

We write with grave concern regarding the group “Jane’s Revenge” and its documented attacks on pregnancy centers across the country over the past two months. This group is a threat to expectant mothers across America, many of whom are in desperate need of assistance. We are calling on the Department of Homeland Security and the Federal Bureau of Investigation to officially classify those committing crimes through Jane’s Revenge as domestic terrorists in response to their clear involvement in acts dangerous to human life. These violent acts violate U.S. and State law, and the group itself has claimed intent to intimidate civilians and government officials. You must use the full extent of your powers under the law to fully prosecute these criminals and prevent further crime.

Yesterday, the group released a letter claiming ownership of the attacks in Madison, WI, Ft. Collins, CO, Reisterstown, MD, Olympia, WA, Des Moines, IA, Lynwood, WA, Washington, D.C., Ashville, NC, Buffalo, NY, Hollywood, FL, Vancouver, WA, Frederick, MA, Denton, TX, Gresham, OR, Eugene, OR, Portland, OR, and others. The attacks on pregnancy centers in these towns include arson, vandalism, and threats toward the owners and employees of these centers. Many of the buildings were tagged with graffiti stating, “if abortions aren’t safe, neither are you.”

Their letter goes as far as to say that this group of liberal extremists enjoys these vicious attacks, stating how “easy and fun it is to attack” these important healthcare access points. They have also vowed to take “increasingly drastic measures” against these facilities and that “those measures may not come in the form of something so easily cleaned up as fire and graffiti.” It is clear by their threats that the members of this group have no regard for human life and may be willing to kill those in the pro-life community to further their politically motivated agenda.

The final call in their letter is to have other extremists join their cause: “Everyone with the urge to paint, to burn, to cut, to jam: now is the time.” Churches and pregnancy centers are at extreme risk and the members of Jane’s Revenge have been clear that they will not stop their reign of terror until pregnancy centers stop providing life-affirming services.

You must immediately call these criminals out for what they are, domestic terrorists, and use the full extent of your powers to prevent their intended bloodshed.

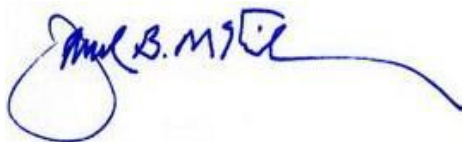

Sincerely,

Markwayne Mullin
